Ms. Alisha Hoersch
Nokia Theatre Times Square
1515 Broadway @ W. 44th Street
New York, NY 10036

Dear Alisha:

You and the entire crew at the Nokia Theatre Times Square rock! Staging our first-ever fund-raising event outside Nashville was a daunting task requiring an enormous effort on the part of our staff. You guys (or ya'll as we say down here) made the transition from Music Row to Times Square seamless.

In the end, country music took New York by storm, and nine months of hard work by many people paid big dividends for the Museum to the tune of close to a quarter of a million dollars! All for the Hall New York was the single most successful fundraising event in the Museum's history, exceeding all our expectations.

Take a well-deserved bow! Looking forward to next time.

Best regards,

Kyle Young
Director
