Alisha Horesh
Director of Special Events
Nokia Theatre, Times Square
1515 Broadway
New York, NY 10036
(O) 212.930.1946

Dear Alisha:

As we've just concluded another successful event with Nokia, I'd like to extend to you my high regards. July's "Bass-O-Matic" event was just one of many seamless collaborations between the MTV Networks Special Events and Nokia Theatre teams.

The venue is beautiful and contemporary with the capacity to host our events that vary greatly in size. Additionally, working with the Nokia Theatre means that we have access to the outdoor marquee and the large LED screens inside. These are both great ways for us to showcase our programming and logos. All of these elements combine to make the Nokia Theatre a natural choice for our staff when choosing event space in New York City. Looking forward to future events together!

Sincerely,

Stephen A. Kipp
VP Special Events, MTV Networks
