Dear Alisha and Bill,

Much kudos to your entire team for making our annual SonyBMG Music Meetings a tremendous success! With your help we were able to feed over 600 people both breakfast and lunch, while turning over 20 live music artists in a single day. From our top tier artists to our Senior Executive staff, everyone was enthralled with your hospitality and beautiful room.

Thank you for your tremendous efforts on our behalf -- we look forward to our next adventure with the Nokia Theatre!

Sincerely,

Liana Farnham
Vice President, Artist Development
